Banner Heart Hospital

Visitor's Guide and Map

About Us
 Banner Heart Hospital opened in 2000 in Mesa, Arizona, adjacent to Banner Baywood Medical Center. In 2004, the facility expanded from 60 beds to 111, nearly doubling in size. As a result, Banner Heart Hospital is now one of the largest freestanding heart hospitals in the nation and the largest in Arizona.

In addition to telemetry and intensive care services, Banner Heart Hospital also has six operating room suites and five cardiac catheterization labs, including two dedicated electrophysiology labs. Banner Heart Hospital offers state-of-the-art technology including robotic surgery which allows patients to heal faster. It also has electronic-medical records system.

As a top heart hospital, more than 500 heart care specialists work at our hospital. Banner Heart Hospital has a growing medical staff of nearly 450 including cardiologists, cardiovascular and vascular surgeons, and other primary care and specialty physicians.

Surgical Care at Banner Heart Hospital
 Banner Heart Hospital is now one of the largest freestanding heart hospitals in the nation and the largest freestanding heart hospital in Arizona.

We offer the benefits of surgical robotics with the da Vinci® Surgical System. Robotic technology complements the expertise of our surgeons and offers a less-invasive option to traditional surgery for patients, resulting in quicker recovery.

At Banner Health, where more surgeries are performed than any other organization in all the communities we serve, we provide all surgical patients with the highest standards of care. You can be assured that our medical professionals have the experience, skill and technology to achieve the best possible outcomes.

Surgical Care Area
 This state-of-the-art facility has four operating room (CVOR) suites and five cardiac catheterization labs including a dedicated electrophysiology lab.

Our cardiovascular surgery professionals specialize in cardiac and vascular procedures. We focus on the following types of procedures:

- Coronary artery bypass graft (CABG)
- Mitrial and aortic valve replacements or repairs
- Abdominal aortic repairs
- Peripheral vascular procedures
- Transthoracic procedures

Hospital Amenities
 The Heart Smart Deli is located just off the main lobby and is open from 6:30 a.m. to 4:30 p.m. Our Food Services department provides you with a heart-healthy selection of meals within the guidelines of the diet prescribed by your physician. A meal discount is available to the patient's closest family member after the patient has been hospitalized for seven days. Contact your nurse for a coupon.

Visitor parking
 Visitor parking is available on the second floor of the parking garage adjacent to Banner Heart Hospital. Please be sure to lock your car. Please click here for a visitor parking map.

Banner Heart Hospital Gift Shop
 The Heart Mart Gift Shop at Banner Heart Hospital features specialty items for our visitors and patients. The proceeds from the gift shop are reinvested throughout the hospital and community to help others.
 The Heart Mart hours are from 8 a.m. to 4 p.m., Monday through Friday.

Visiting Hours
 Visitors can provide good medicine for patients. For your convenience, family members and friends are welcome to visit 24 hours a day. Please keep in mind that visitors may be asked to leave the room during tests or treatments when the physician or nurse needs to see the patient.
