

VOLUNTEER HEALTH REQUIREMENTS

The health requirements listed below are mandatory for all Banner Health hospitals and ambulatory locations in Tucson, AZ. All applicants must go through their PCP to provide a record of immunizations/titers or to receive any missing immunizations/titers.

1. **TUBERCULOSIS (TB)** - You will be tested to show proof that you are free of TB. Your blood will be drawn at your appointment as Banner uses a blood test to determine your TB status. If for any reason, you are unable to have a blood test, you can provide proof of a negative TB skin test done within the past 12 months or proof of 2 negative TB skin tests done in your life. Banner will then administer a 2nd TB skin test.

2. **PROOF OF IMMUNITY TO MEASLES, MUMPS AND RUBELLA (MMR)** - You must provide one of the following:
 - a. Proof of 2 MMR vaccines anytime in your life
 - b. Proof of a Positive titer for each disease done anytime in your life
 - c. Please note that if you were born **BEFORE** 1957, you do not need to show proof of MMR.

3. **PROOF OF IMMUNITY TO VARICELLA (CHICKENPOX)** - You must provide one of the following:
 - a. Proof of 2 varicella (Varivax) vaccines anytime in your life
 - b. Proof of a Positive titer anytime in your life
 - c. Proof of 1 Zostavax vaccine and 1 Varivax vaccine
 - d. Letter written and signed by a physician on official letterhead stating the date of disease
 - e. ***Note that the Shingrix vaccines are not accepted as proof of immunity to Varicella**

4. **PROOF OF COVID-19 VACCINATION** - You must provide one of the following:
 - a. Proof of 2-series vaccination from Pfizer
 - b. Proof of 2-series vaccination from Moderna
 - c. Proof of 1 shot vaccination from Johnson & Johnson

5. **PROOF OF FLU SHOT (SEASONAL)**
 - a. If you have already had a flu shot this flu season, you can bring proof of that when you bring in your immunization.
 - b. If you have **not** had a flu shot this flu season, you can have that done when you bring in your immunizations, at no cost to you.
