 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.

- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2024* handbook.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact our Customer Care Center for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by 9/30/23 (or after 30 days for new enrollees), please call our Customer Care Center and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>The costs in this row are for a one-month (31-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing.</p> <p>Most adult Part D vaccines are covered at no cost to you. Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in Banner Medicare Advantage Prime

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Banner Medicare Advantage Prime.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2). As a reminder, Banner Medicare Advantage offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Banner Medicare Advantage Prime.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Banner Medicare Advantage Prime.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact our Customer Care Center if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Arizona, the SHIP is called Arizona State Health Insurance Assistance Program.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Arizona State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Arizona State Health Insurance Assistance Program at (800) 432-4040.
