What Do We Cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – *however, we cover even more.*

- Our plan members get all of the benefits covered by Original Medicare.
- Our plan members also get more than what is covered by Original Medicare.
- Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at www.BannerHealth.com/MA.
- Or call us, and we will send you a copy of the formulary.

Prescription Benefits

As shown below, there are “drug payment stages” for your Medicare Part D prescription drug coverage under Banner Medicare Advantage Prime. How much you pay for a drug depends on which of these stages you are in at the time you get a prescription filled or refilled. You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy. Please call us or access our Evidence of Coverage online at www.BannerHealth.com/MA.

PRESCRIPTION DRUG BENEFITS	
Prescription Drug Stages	Maricopa, Pima, Pinal, Santa Cruz & Yuma
Deductible Stage	There is no deductible for Banner Medicare Advantage Prime.
Initial Coverage Stage	Since this plan does not have a deductible, you begin in the Initial Coverage Stage. During the Initial Coverage Stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost until your total yearly drug costs reach \$5,030 . Total yearly drug costs are the total drug costs paid by both you and Medicare Insurer. You may get your drugs at network retail pharmacies and mail order pharmacies.
Coverage Gap Stage	<p>You will pay a \$0 copay for Tier 1 drugs in this stage.</p> <p>Most Medicare drug plans have a coverage gap stage (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$5,030.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$8,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>
Catastrophic Coverage Stage	After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$8,000 , the plan pays the full cost for your covered Part D drugs. You pay nothing.

Initial Coverage Stage – Banner Medicare Advantage Prime
