## Section 1 – Introduction

This directory provides a list of Banner Medicare Advantage Plus's network providers for **Pima, Santa Cruz and Yuma** counties in the state of Arizona.

Network providers are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept payment and any plan cost sharing as payment in full for Banner Medicare Advantage Plus members.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

As a Banner Medicare Advantage Plus member, you can choose to receive care from out-of-network providers. However, out-of-network providers are under no obligation to treat Banner Medicare Advantage Plus enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Care Center at (844) 549-1859, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you use an out-of-network provider, your share of the costs for your covered services may be higher. Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider. However, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.
- You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers, you may want to ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary. This is important because: This directory provides a list of Banner Medicare Advantage Plus's network providers for Pima, Santa Cruz and Yuma Counties in the state of Arizona. The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

- > Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage, and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision not to cover your care. See Chapter 9 of your Evidence of Coverage (“What to do if you have a problem or complaint?”) to learn how to make an appeal.
- It is best to ask an out-of-network provider to bill the plan first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment. If you receive a bill from a non-contracted provider, do not pay the bill. Send the bill to Banner Medicare Advantage Plus in order for us to process and determine if you have any liability for the bill.

When you have a “medical emergency,” you believe your health is in serious danger. A medical emergency can include severe pain, a bad injury, a sudden illness or a medical condition that is quickly getting much worse. If you have a medical emergency: Get help as quickly as possible.

Call 911 for help or go to the nearest emergency room, hospital or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP, even if you are out of the service area.

As soon as possible, make sure Banner Medicare Advantage Plus has been notified about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. You can find the number to call on the back of your plan membership ID card or on the back cover of this document.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered, but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. Utilizing out of network providers could result in higher out of pocket costs. Please refer to your plan benefits for co-pays and deductibles.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Care Center or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

## Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Banner Medicare Advantage Plus para los condados de **Pima, Santa Cruz y Yuma** del estado de Arizona.

Los proveedores de la red son los doctores y otros profesionales de atención médica, grupos médicos, proveedores de equipos médicos duraderos, hospitales y otros centros de atención médica que tienen un acuerdo con nosotros para aceptar pagos y cualquier costo compartido del plan como pago total para los miembros de Banner Medicare Advantage Plus.

Los proveedores de la red que aparecen en este directorio han acordado brindarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este directorio.

Como miembro de Banner Medicare Advantage Plus, puede optar por recibir atención de proveedores fuera de la red. Sin embargo, los proveedores fuera de la red no tienen la obligación de tratar a los afiliados de Banner Medicare Advantage Plus, excepto en casos de emergencia. Para tomar una decisión sobre si cubriremos un servicio fuera de la red, lo alentamos a usted o a su proveedor a solicitarnos una determinación de organización previa al servicio antes de recibir el servicio. Llame a nuestro Centro de Atención al Cliente al (844) 549-1859, de 8 a.m. a 8 p.m., los siete días de la semana. Los usuarios de TTY deben llamar al 711. También puede consultar su Evidencia de Cobertura (EOC, por sus siglas en inglés) para obtener más información, incluido el costo compartido que se aplica a los servicios fuera de la red.

Si utiliza un proveedor fuera de la red, su parte de los costos de los servicios cubiertos puede ser mayor. Aquí hay otras cosas importantes que debe saber sobre el uso de proveedores fuera de la red:

- Puede obtener su atención de un proveedor fuera de la red. Sin embargo, en la mayoría de los casos, ese proveedor debe ser elegible para participar en Medicare. A excepción de la atención de emergencia, no podemos pagarle a un proveedor que no sea elegible para participar en Medicare. Si recibe atención de un proveedor que no es elegible para participar en Medicare, será responsable del costo total de los servicios que reciba. Consulte con su proveedor antes de recibir servicios para confirmar que son elegibles para participar en Medicare.
- No necesita obtener una referencia médica o autorización previa cuando recibe atención de proveedores fuera de la red. Sin embargo, antes de obtener servicios de proveedores fuera de la red, es posible que desee solicitar una decisión de cobertura previa a la consulta para confirmar que los servicios que está recibiendo están cubiertos y son médicamente necesarios. Esto es importante porque: Este directorio proporciona una lista de proveedores de la red de Banner Medicare Advantage Plus para los condados de Pima, Santa Cruz y Yuma en el estado de Arizona. Los proveedores de la red que aparecen en este directorio han acordado brindarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este directorio.

- > Sin una decisión de cobertura previa a la consulta, si posteriormente determinamos que los servicios no están cubiertos o no eran médicamente necesarios, podemos denegar la cobertura y usted será responsable del costo total. Si decimos que no cubriremos sus servicios, tiene derecho a apelar nuestra decisión de no cubrir su atención. Consulte el Capítulo 9 de su Evidencia de Cobertura ("¿Qué hacer si tiene un problema o una queja?") para saber cómo presentar una apelación.
- Lo mejor es pedirle a un proveedor fuera de la red que facture al plan primero. Pero, si ya pagó por los servicios cubiertos, le reembolsaremos nuestra parte del costo de los servicios cubiertos. O si un proveedor fuera de la red le envía una factura que cree que debemos pagar, puede enviárnosla para que la paguemos. Si recibe una factura de un proveedor no contratado, no la pague. Enviela a Banner Medicare Advantage Plus para que la procesemos y determinemos si tiene alguna responsabilidad por ella.

Cuando tiene una "emergencia médica", considera que su salud está en grave peligro. Una emergencia médica puede incluir un dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que empeora rápidamente. Si tiene una emergencia médica: Obtenga ayuda lo más rápido posible.

Llame al 911 para obtener ayuda o vaya a la sala de emergencias, hospital o centro de atención de urgencia más cercano. Llame a una ambulancia si la necesita. No necesita obtener primero la aprobación o una referencia médica de su PCP, incluso si se encuentra fuera del área de servicio.

Tan pronto como sea posible, asegúrese de que Banner Medicare Advantage Plus haya sido notificado sobre su emergencia. Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona deben llamar para informarnos sobre su atención de emergencia, generalmente dentro de las 48 horas. Puede encontrar el número para llamar en el reverso de su tarjeta de identificación de miembro del plan o en la contraportada de este documento.

Si recibe atención de emergencia en un hospital fuera de la red y necesita atención hospitalaria después de que se estabilice su condición de emergencia, debe trasladarse a un hospital de la red para pagar el costo compartido dentro de la red por la parte de su estadía después de estar estabilizado.

Si se hospeda en un hospital fuera de la red, su estadía estará cubierta, pero pagará el costo compartido fuera de la red por la parte de su estadía después de que se estabilice. Siempre se puede obtener atención de emergencia dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando esté dentro del área de servicio, se puede obtener atención de urgencia del primer proveedor disponible. Además, cuando esté fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado. El uso de proveedores fuera de la red podría resultar en costos de desembolso más altos. Consulte los beneficios de su plan para conocer los copagos y los deducibles.

Los proveedores fuera de la red o no contratados no tienen ninguna obligación de tratar a los miembros del plan, excepto en situaciones de emergencia. Por favor llame a nuestro Centro de Atención al Cliente o vea su Evidencia de Cobertura para obtener más información, incluyendo el costo compartido que se aplica a los servicios fuera de la red.
