

2024 Summary of Benefits

This is a summary of drug and health services covered by Banner Medicare Advantage Plus PPO, January 1, 2024 - December 31, 2024.

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.BannerHealth.com/MA or you can call our Customer Care Center for help.

Who Can Join?

To join Banner Medicare Advantage Plus, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Arizona: Maricopa, Pima, Pinal, Santa Cruz, and Yuma.

Which Doctors, Hospitals, and Pharmacies Can I Use?

Banner Medicare Advantage Plus has a network of doctors, hospitals, pharmacies, and other providers. Banner Medicare Advantage Plus members have the option of using in-network or out-of-network providers. Out-of-network providers may have higher copayments or coinsurance than our in-network providers.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider directory and pharmacy directory on our website: www.BannerHealth.com/MA. Or call us, and we will send you a copy of the provider directory and pharmacy directory.

What Do We Cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – *however, we cover even more.*

- Our plan members get all of the benefits covered by Original Medicare.
- Our plan members also get more than what is covered by Original Medicare.
- Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at www.BannerHealth.com/MA.
- Or call us, and we will send you a copy of the formulary.

Prescription Benefits

As shown below, there are “drug payment stages” for your Medicare Part D prescription drug coverage under Banner Medicare Advantage Plus. How much you pay for a drug depends on which of these stages you are in at the time you get a prescription filled or refilled. You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy. Please call us or access our Evidence of Coverage online at www.BannerHealth.com/MA.

| PRESCRIPTION DRUG BENEFITS | |
|------------------------------------|--|
| Prescription Drug Stages | Maricopa, Pima, Pinal, Santa Cruz & Yuma |
| Deductible Stage | There is no deductible for Banner Medicare Advantage Plus. |
| Initial Coverage Stage | Since this plan does not have a deductible, you begin in the Initial Coverage Stage. During the Initial Coverage Stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost until your total yearly drug costs reach \$5,030 . Total yearly drug costs are the total drug costs paid by both you and Medicare Insurer. You may get your drugs at network retail pharmacies and mail order pharmacies. |
| Coverage Gap Stage | <p>You will pay a \$0 copay for Tier 1 drugs in this stage.</p> <p>Most Medicare drug plans have a coverage gap stage (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$5,030.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$8,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p> |
| Catastrophic Coverage Stage | After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$8,000 , the plan pays the full cost of your covered Part D drugs. You pay nothing. |

Initial Coverage Stage – Banner Medicare Advantage Plus

Every drug on the plan's Drug List is in one of 5 cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug.
